

Citizens Against Racing Speedway

(905)994-7422 www.forteriecars.org

P E T I T I O N

The purpose of this Petition is to register the objection, of the citizens whose names appear below, to the location of the planned Speedway. We believe a speedway should be located away from existing and planned residential zoning areas and farming operations.

There are many negative impacts from such an operation. Some of which are noise, reduced property values and traffic congestion to mention only a few.
